

SRIXON Signs Tennis Equipment Contract with Two Outstanding Athletes

Overseas pros will be using SRIXON REVO CZ tennis racquets

SRIXON Headquarters (Head office: Kobe, Japan; President: Kazuo Kinameri) is pleased to announce it has signed tennis equipment deals with two pros: 2015 Japan Women's Open (WTA Tour international-level tournament) runner-up Magda Linette of Poland and 2015 US Open Wheelchair Women's Singles champion Jordanne Whiley of Great Britain. Both pros will be using the SRIXON REVO CZ 100S lightweight competition racquet, which SRIXON introduced in September 2015.

After becoming the runner-up in last year's Japan Women's Open, Linette achieved a career-high ranking of No. 64 on September 21, 2015. She holds 10 singles titles on the ITF Circuit and has made it as far as the second round in Grand Slam competition. Linette has also played for the Polish team in the Fed Cup.

Whiley often pairs up in international wheelchair doubles tournaments with another SRIXON contract pro, Yui Kamiji of Japan. Last year in the US Open, Whiley became a Grand Slam singles champion for the first time. Also in 2015, she was the Grand Slam doubles champion at both the Australian Open and Wimbledon.
